Case No.: 07 CV 2205 DMS (CAB)

**PLAINTIFF'S REPLY TO DEFENDANT'S  
OPPOSITION TO EX PARTE  
APPLICATION TO CONTINUE EXPERT  
DESIGNATION AND RELATED DATES**

**[FRCP 26(a)(2)(C)]**

Judge: Hon. Cathy Ann Bencivengo  
Trial Date: May 9, 2009, 9:00 a.m.

18  
19 Plaintiff GLEN R. HAGEN hereby responds to Defendant's OPPOSITION to Plaintiff's *ex*  
20 *parte* application to continue expert designation and related dates.

21 **I. NO PREJUDICE TO DEFENDANT SHOULD DESIGNATION DATE BE**  
22 **EXTENDED**

23 Defendant's Opposition asserts that "to add some fifth 'expert' doctor...is just pure overkill  
24 intended to prejudice defendant and add undue cost and preparation time." In fact, there is no "fifth  
25 expert doctor". Indeed, there has never been even one expert doctor. Months ago defense counsel  
26 informally inquired of the names of the doctors who treated Plaintiff. Counsel then issued three  
27 document subpoenas, including one to Dr. Davidson. Since then only Dr. Davidson has been  
28

1 deposed. Her deposition arose when the undersigned asked defense counsel if Dr. Davidson could  
 2 be present at Plaintiff's deposition to help assess Plaintiff's ability to continue with his deposition.  
 3 Defense counsel refused contingent upon deposing Dr. Davidson for the purpose of determining  
 4 whether her presence at Plaintiff's deposition would be necessary. This is the sole understanding of  
 5 the reason for Dr. Davidson's deposition. During the little more than one hour deposition of Dr.  
 6 Davidson Mr. Scully announced he would not oppose Dr. Davidson being present at Plaintiff's  
 7 deposition.

8  
 9 **II. THERE WAS NEVER AN "UNDERSTANDING" THERE WOULD NOT BE**  
 10 **EXPERT WITNESSES. IN FACT, ATTORNEY SCULLY WAS TOLD "DR.**  
 11 **DAVIDSON WILL NOT BE PLAINTIFF'S EXPERT."**

12 In an email dated May 12, 2008, from the undersigned to Miles D. Scully, Esq., wherein  
 13 arrangements were being discussed for taking Dr. Davidson's deposition, the undersigned disclosed  
 14 to Mr. Scully that: "Dr. Davidson will not be Plaintiff's expert." The implication, of course, is  
 15 some other doctor will be Plaintiff's expert. At no time did Mr. Scully express any concern,  
 16 surprise, or misunderstanding about Dr. Davidson's role, or the role of Plaintiff's forensic expert. A  
 17 copy of this email is attached as EXHIBIT A, along with the string of associated emails.

18 **III. PLAINTIFF'S COUNSEL HAS NEVER INFORMED DEFENSE COUNSEL**  
 19 **THAT SEVERAL DOCTORS, NO LESS FOUR TREATING DOCTORS,**  
 20 **WOULD BE TESTIFYING IN THIS CASE**

21 At no time has there been any discussion between counsel about testimony from any of  
 22 Plaintiff's treating doctors. If Defendant truly believed any of Plaintiff's treating doctors were  
 23 going to testify, wouldn't it be logical for Defendant to have deposed them? Never has Defendant  
 24 sought to depose any treating doctor other than Dr. Davidson, and that was for the reason related  
 25 above.

**IV. DEFENDANT’S RECENT POSTURING OF ITS CASE REQUIRES AN EXPERT WITNESS**

Plaintiff’s and Defendant’s counsel have had discussions about this case. We agreed the same are confidential. Based thereon, it is represented to the Court that if Plaintiff is denied the opportunity to designate a forensic expert physician Plaintiff’s case will be substantially prejudiced.

**V. SINCE DEFENDANT HAS NEVER EXAMINED EVEN ONE OF PLAINTIFF’S DOCTORS AS AN EXPERT, DEFENDANT WILL NOT BE “...EXTREMELY PREJUDICED IN EXPENDING BOTH TIME AND MONEY TO EXAMINE AN ADDITIONAL NEUROLOGY EXPERT...”**

Defendant makes the above claim in the context of having already examined other of Plaintiff’s doctors. Defendant has only deposed, for approximately one hour, Dr. Davidson and it was to determine whether Mr. Scully would rescind his objection to her presence at Plaintiff’s deposition. In fact, no “Plaintiff’s expert” has ever been deposed because Plaintiff has never indicated he had any expert doctors or that any of his doctors would be testifying at trial. Therefore, to depose Plaintiff’s true expert would pose no prejudice to Defendant in terms of time and money since it would be the only forensic expert who will testify regarding Plaintiff’s medical condition.

**VI. CONCLUSION**

Defendant obfuscates the sole issue here which is whether Defendant will be prejudiced by extending the expert designation date. Obfuscation particularly occurs when counsel talks about Plaintiff’s treating doctors as if they were experts and alleging they are sufficient for Plaintiff to present his case at trial. Counsel’s advocacy exceeds reasonableness when he opines how best Plaintiff can present his evidence. Defendant’s alleged prejudice is the cost to depose Plaintiff’s true expert, that is, a forensic neurologist who can present Plaintiff’s medical condition from an experienced perspective. Plaintiff submits having to depose one medical expert cannot be considered prejudicial.

1 Plaintiff respectfully submits his request to extend time to designate experts should be  
2 extended.

3  
4 Respectfully submitted,
